William is going to meet up with his friends. It is hot outside. They are going swimming. When his friends arrive they go to the beach. They swim for a long time. William knows how to swim. His friends also know how to swim. William's father goes with them. He buys them ice cream afterwards.

# Disleksija bez definicija

„Zločesta vila je u početku bila zla jer mi je dala disleksiju, a onda sam shvatila da je to dar, taj put me izgradio u osobu kakva sam sad. To je moj dar, a ne teškoća”

„Dajem 110% od sebe”

Posipava latice snažnim mirisom. **Potočnice** odijevaju modre haljinice sa zelenim kišnim kabanicama. **Ljubičica** skromno nosi svoju jednostavnu, ali lijepu odjeću. **Visibaba** dolazi odjevena u bijelo kao vila ili mladenka. **Vitki zumbuli** plešu sa stidljivim **orhidejama**. Mirisni **jorgovan** pleše s **tulipanima**. Blijedi **lopoč** sa sredine jezera doziva svoju ljubimicu – hladnu i čudesnu peruniku.
